Membership Directory

Purpose: To outline a privacy policy for members as it pertains to the Membership Directory on the NCWM website.

Background: Improvements to the NCWM website have enabled a "Members Only" section. This section has password protection and includes a membership directory. The directory is a searchable database of NCWM membership with complete contact information.

It is possible that some members may not want to have their contact information posted in an on-line directory, even though it is in the "Members Only" section.

Policy:

1. Members' contact information is accessible to members-only in the membership directory on the NCWM website including:
 - Name,
 - Title,
 - Company,
 - Address,
 - Phone number,
 - Fax number,
 - Email address , and
 - Company website URL

2. Members shall be given the option to "opt out" on having their contact information posted; however the name, title and company will remain.
