Voting Results Posted

Purpose: Establish a means of publishing the voting results from NCWM Annual Meetings.

Background: Historically, there has not been established a consistent method of publishing results from the voting sessions of the NCWM Annual Meetings. Information of interest would include the Committee, the Item, the vote count in the House of Representatives, the vote count in the House of Delegates, and the disposition. This information should be made available as soon as practical following the Annual Meeting.

Some options that have been discussed include posting on the web site, printing in the next newsletter, and sending out an email to all members with the results.

Policy:

1. Voting results shall be posted within 2 weeks of the conclusion of the Annual Meeting on the NCWM Website as part of the Annual Meeting Archives.
