

**Cheryl Ayer – Director of Weights & Measures | New Hampshire Department of Agriculture, Markets, and Food**

Cheryl has been with the Division of Weights and Measures since 2006 and began her career as a program assistant over Licensing. In November of 2008, she accepted a position as an investigator and, along with that position, she was required to complete the NH Part-Time Police Academy to qualify for the position which she completed in April 2009. Cheryl worked as an investigator for 10 1/2 years until she was promoted to Director in July of 2019.
