

Valerie Forbes - Administrator Specialist II | Delaware Department of Agriculture

Valerie joined the Delaware Department of Agriculture Weights and Measures in 1997 as the Administrative Specialist II. Valerie keeps the wheels turning within the section. Along with handling complaints, accounts payable, and the daily operational needs of the section she maintains the Voluntary Serviceperson, Weighmaster, and WinWam Programs, assists the Administrator with hiring, and the annual budget details as well as writing any RFP for the section. She is currently a member of the SWMA PDC and MEMS committees.
