

Margherita Lebsack - Weights and Measures Inspector III | San Luis Obispo County Department of Agriculture/Weights and Measures

Margherita is enthusiastic about her career as a weights and measures inspector and the quantity control specialist for the San Luis Obispo County Department of Agriculture/ Weights and Measures where she started eight years ago. She embraces all aspects of her profession, from routine device inspections to special investigations and is proud to play an important role in ensuring equity in the marketplace. In addition to her role as an inspector, Margherita has served on the Professional Development Committee at the Western Weights and Measures Association annual meeting and has participated in the development of the National Conference on Weights and Measures Professional Certification exams in the subject areas of Packaging and Labeling and Method of Sale.
