

Big News about the 106th NCWM Annual Meeting!

We are very excited to announce that the 106th NCWM Annual Meeting will be offered as an in-person and virtual event in Rochester, New York, July 18-23, 2021. You decide how you want to participate!

We are also excited to offer reduced fees this year. We hope that many who are not normally able to attend will take advantage of this special opportunity to be a part of the annual business of the National Conference on Weights and Measures.

Important Schedule Announcements

1. Special Voting Session: NCWM petitioned the District Court of Lancaster County, Nebraska and received a court order allowing us to conduct official voting by virtual votes as necessary, this year. Now we can ratify the decisions of the 105th Annual Meeting. The Board of Directors will present two consent calendars on Monday morning for ratification; one for business items and the other for technical items. Then we will proceed with Open Hearings on the 2021 agenda items.
2. Additional Day: The days are shortened to accommodate multiple time zones, so we have added an extra day for Committee Work Sessions prior to voting on the 2021 proposals. Our meeting will end on Friday, instead of Thursday.
