

Application for Electronic Cash Register Interfaced with Scale

This application should be used if conducting a general evaluation of new electronic cash register (ECR) that is interfaced with scales to comprise point-of-sale (POS) systems or software for front-end POS system. It is assumed that the weighing/load receiving element has been previously evaluated.

For Use by NCWM
Control #: _____
CC #: _____

Application Instructions:

- Review applicable checklist in "NCWM, Publication 14: Weighing Devices."
- Review "NCWM, Publication 14: Administrative Policy."
- Review applicable sections of "Handbook 44: Specifications, Tolerances and Other Technical Requirements for Weighing and Measuring Devices."
- Sign application. **Unsigned applications will not be accepted.**
- **Submit payment with application.**
- Submit a copy of the amended CC with changes clearly marked.
- Submit **two digital photos** of the device via email.
- Submit application in one of the following ways:

Email: info@ncwm.com

Mail: National Conference on Weights and Measures
 Attention: Project Coordinator
 1135 M Street, Suite 110
 Lincoln, Nebraska 68508

Fax: 402.434.4878

If completing application by hand, do so **legibly** and in **blue ink**. Illegible applications may delay processing times.

Part 21. Primary Weight Display

Is The Primary Weight Display Generated by Software: Yes No

Part 22. Method of Sealing

Describe the Method of Sealing:

Part 23. General Description

Describe the reason this application is being submitted:

Part 24. Signature

By checking this box, the applicant authorizes the National Type Evaluation Program to disclose to Regulatory Officials, upon their request, that this application has been submitted and whether the file is currently open or closed.

Applicant agrees to and accepts all of the following terms and conditions for application for a National Type Evaluation Program (NTEP) Certificate of Conformance. 1) All the devices manufactured as the type referenced will continue to conform to the same specifications and tolerances and be of the same type without technical or metrological deviation of consequence. 2) All costs incurred by the NTEP and participating laboratory(s) will be paid by the applying company. 3) The NCWM policies, practices and procedures set forth in its Bylaws and publications are incorporated by reference as terms and conditions of the issuance/renewal under NTEP. 4) Applicant agrees that the law of the State of Nebraska shall control the interpretation and construction of NTEP and business relationships, including choice of law provisions. The parties agree that the exclusive legal forum of choice of the parties shall be the Lancaster County State District Court located in Lincoln, Nebraska. 5) Applicant agrees that NCWM, its officers, directors, employees and agents shall have no liability for any damages of any nature in excess of the application fee or the annual renewal fee, as applicable. This limitation of liability is a condition of the issuance of any certificate of conformance or renewal certificate under the NTEP Program. **Please be aware that an electronic signature is as legally binding as a handwritten signature.**
